IMP Teacher Program (ITP)

How do I apply for the IMP Teacher Program (ITP)?

Contact Ashley Hrenyk at facdev@uvic.ca or 250-472-5502 or complete the registration form: <http://fluidsurveys.com/surveys/jennifer-macmillan/registration-for-teacher-program-fd/>

What do I need to do to receive the completion certificate for IMP Teacher Program (ITP)?

You must attend **one or more** of the 'Learning Environment' workshops.

- Learning Environment: The Office
- Learning Environment: The Small Group,
- Learning Environment: The Bedside

In addition you will attend **all** of the following workshops:

- Giving & Receiving Feedback
- Teaching Clinical Reasoning
- The Student in Difficulty.

All four workshops need to be completed within 3 years. All workshops will be held twice a year and will rotate through different venues (VGH, RJH &MSB,UVic). The schedule for workshops outside Victoria will be decided shortly.

I have already attended similar foundational training sessions, will these count towards the program?

Yes workshops dealing with the above topics that you have attended in the past 3 years will count towards the IMP Teacher Program. Please let us know which workshops you have attended in your registration form (above).

What if I do not have time to participate in the program, what are my options?

We are offering the foundational workshops for the IMP Teacher Program twice times a year, you can attend them over a period of three years at any location that they are offered. Once you register for the program, we will track your attendance for you.

Am I obligated to participate in this program as an IMP teacher?

You are not obligated to participate but we hope that you will join the program. In our experience faculty consistently find these workshops useful and enjoy networking and sharing their experiences, and in so doing renew their confidence and commitment to teach.

IMP Advanced Teacher Program (IATP)

How do I apply for the IMP Advanced Teacher Program (IATP)?

Contact Ashley Hrenyk at facdev@uvic.ca or 250-472-5502 or complete the registration form: <http://fluidsurveys.com/surveys/jennifer-macmillan/registration-for-teacher-program-fd/>

Are there any prerequisites for joining the IMP Advanced Teacher Program (IATP)?

You will need to have either completed or be registered in the IMP Teacher Program (ITP). In other words you can register for both programs at the same time. If you have attended all ITP workshops in the last three years you can be exempted and join the ITAP directly. You are however welcome to attend any workshop as a member of the teaching faculty.

What will I need to do to receive the completion certificate for IMP Advanced Teacher Program (IATP)

Attend five workshops with at least one each in the following topics:

- Pedagogy,
- Reflective Practice,
- Assessment,
- Instructional Design,
- An elective workshop of your choice.

- complete a Medical Education project of your choice and deliver a 10 minute presentation to peers at an annual Faculty Development event (contact Dr Kiran Veerapen kkv@uvic.ca for details)
